

## Visiting Special Collections Exit Survey

Now that you've worked through the Visiting SC Module and been to the library, please take a few minutes to reflect on the experience. Your thoughts will help develop these materials for future students.

First name:

Last name:

Was this your first time in Special Collections?

Yes

No

Which podcast episode did you listen to?

Are there materials from the preparatory module that you found especially helpful? Describe below.

How could the preparatory module be made clearer or more effective? What's missing?

Now that you've been, what would you tell someone else visiting Special Collections for the first time? What should they know?

Anything else you'd like to reflect on or share?
